Study Visit Global Program

KOREA UNIVERSITY
Business School

Study Visit Global Program

KUBS Executive Education Center is planning and conducting short-term programs for the best International universities and institutions.

Why KUBS

1 >> THE LATEST BUSINESS ADMINISTRATION LECTURE

Core lectures on the latest business administration provided by KUBS will enhance your understanding of the business administration and business environment in Korea.

2 >> COMPANY VISIT

It provides an opportunity to experience practical business administration through diverse company visits in Korea.

3 >> CULTURAL ACTIVITY

Through the program to experience Korean culture, we provide opportunities to understand Korea and Asia in multiple ways as well as from a business perspective.
